

Justin's Nut Butter Now Distributed by Tree of Life

06/02/2009

BOULDER, Colo.—[Tree of Life](#) now provides national distribution of [Justin's Nut Butter](#) products to gourmet, natural and conventional foods stores across the United States.

"Tree of Life is an important and exciting partner for us at Justin's," says Justin Gold, CEO and Founder of Justin's Nut Butter. "Tree of Life will now service many of our larger retailers such as Safeway as well as my family-owned natural food store in Charleroi, Pennsylvania, Yareck's Natural Foods."

Tree of Life will carry Justin's in both an innovative single-serve 1.15-ounce squeeze pack and 16-ounce jars in six flavors: Classic Peanut, Honey Peanut, Cinnamon Peanut, Classic Almond, Honey Almond and Maple Almond.

Justin's Nut Butter manufactures organic and natural nut butters using a small batch, proprietary grinding process. Justin's was founded in 2002 by Justin Gold, an active outdoor vegetarian who started with a food processor in his kitchen and began selling to natural food stores in Boulder, Colo.
